FAITH FORMATION Intergenerational Sunday School starts Sunday, Sept. 27. The church will provide packets with complete lesson plans and activity pages for every household that would like one. All ages will enjoy our new curriculum called: *An Illustrated Earth: Celebrating God's Creation*. The curriculum is designed to draw you into conversations with biblical stories that relate to elements of God's creation.

Each lesson highlights a particular biblical story and provides opportunities to focus on hearing and reflecting on the story with open-ended questions, creating meaningful art, an interactive activity based on the story, and providing an opportunity to share God's love. An accompanying video will be available on our YouTube channel.

If you want to secure a packet, please contact the church office. You can make arrangements to pick up your packet from the church, have it mailed to you, or you can pick it up at the Socially Distanced Fall Fellowship Event.

Throughout the months of August and September during our offering time you have seen the ways your financial gifts to RPC make ministry and mission in this place possible. During these uncertain days we ask you to prayerfully consider your pledge for 2021. Your financial gifts secure the future of this community of faith for years to come.

The Stewardship letter and estimate of giving card will

be available at the Fall Fellowship event and mailed to those unable to pick up the following week. Please return your 2021 Estimate of Giving Card by October 15. If you would like to fill out your card online, go to this link:

PEACE & GLOBAL WITNESS

OFFERING—By giving to the Peace & Global Witness Offering, one of the special offerings of the PC(USA), we work to share

Christ’s peace with one another, beyond our doors, beyond our community and across boundaries. Together we are building God’s house where everyone is welcome; where all can find compassion, peace and justice. Please mark your donation “Peace & Global Witness Offering”.

September 20 & 27 We turn our attention to stewardship. What does it mean to be grateful? Does gratefulness impact the ways in which we support the church? Our theme verse is Jeremiah 17:8 *They will be like trees planted by the streams, whose roots reach down to the water. They won't fear drought when it comes; their leaves will*

remain green. They won't be stressed in the time of drought or fail to bear fruit.

Reverend Jackson will also be using the poetry of Mary Oliver who said *Instruction for living a life. Pay attention, Be astonished. Tell about it.*

October 4 is World Communion Sunday. Next week watch the announcements for international recipes to bake your own communion bread. The service will celebrate the fact that Christians all over the world share one table.

October 11—November 14 *A Way Out of No Way*. The title comes from the African-American expression that grew out of contexts of oppression and the trust that God and a tenacious people make a way in spite of the situation. We will enter the biblical narrative of God's action in human history "already in progress" and right out of the gate we are plopped down in the middle of major crisis: Noah and the flood. We will spend six weeks witnessing other Hebrew Bible stories of God urging the people forward in times when it seems there's no way out. We will recall our own narratives and affirm the strength God gives us to find a way through. After all, our percentage of actually living through a crisis at this point is 100%!

November 22—Virtual Pet Blessing. More information to come but start emailing Pastor Dale pictures of your furry or scaly or feathery loved ones now!!
